INTRODUCTION & COMPANY HISTORY

Minican Shipping and Trading Enterprise was registered in 1973. The Company was established to meet and cater for the emerging Middle Eastern shipping Industry. In the 15 years of growth into the market, the shareholders decided in 1991 to incorporate the Company under the Singapore Company's Act and change the name to Minican Shipping and Trading Pte. Ltd.

MST draws its strength from its professional management, and experienced and capable workforce. The management team as a whole built up an excellent rapport with Government Agencies involved with the trade and the Marine business Community, locally and overseas. The company has been flexible and keeps cordial relationships with the Authorities and the Shipping Companies but always has been rigid as far as adherence to the philosophy of honesty and integrity.

BUSINESS ACTIVITIES

MST core business is Marine related with activities complementing each other. The spread includes:

1. Shipping Agency
2. Marine Equipment & Machinery Supplies
3. Ship Broking and Chartering
4. Crew Management
5. Ship Consultancy
